Indian Institute of Technology Jodhpur

IITJ/OA/C/2020-21/15/.....2493 Dated: 10 July 2021

CIRCULAR

Subject: Submission of Grades for Research Proposal in respect of Ph.D. students registered from July 2019 onwards

In continuation to the circular No. IITJ/OA/Circular/2020-21/12/2116 dated 24 February 2021 regarding Format for submission of Research Proposal for Ph.D. students registered from July 2019 onwards, and as per clause 26.5.3 of the regulations, Research Proposal (report + presentation) will be evaluated by SRC after successful completion of SOTA. The research proposal must include representative research work equivalent to research work worth 16 credits. SRC will allocate a letter grade based on the performance of the candidate.

In addition to the above regulations the following may be noted;

1. It will be the responsibility of the supervisor/SRC to ensure that the students are working for equivalent hours in the credited research proposal course for the trimester/semester.
2. The upload of the grade (continuation/unsatisfactory) in the particular research proposal course in a trimester/semester will be done in consultation with the supervisor/SRC.
3. After successful Research Proposal defense, SRC will allocate a letter grade based on the performance of the candidate in consultation with supervisor.

This issues with the approval of the Competent Authority.
